*It's kind of tough  
to have to leave  
So many folks  
you've learned to know,*

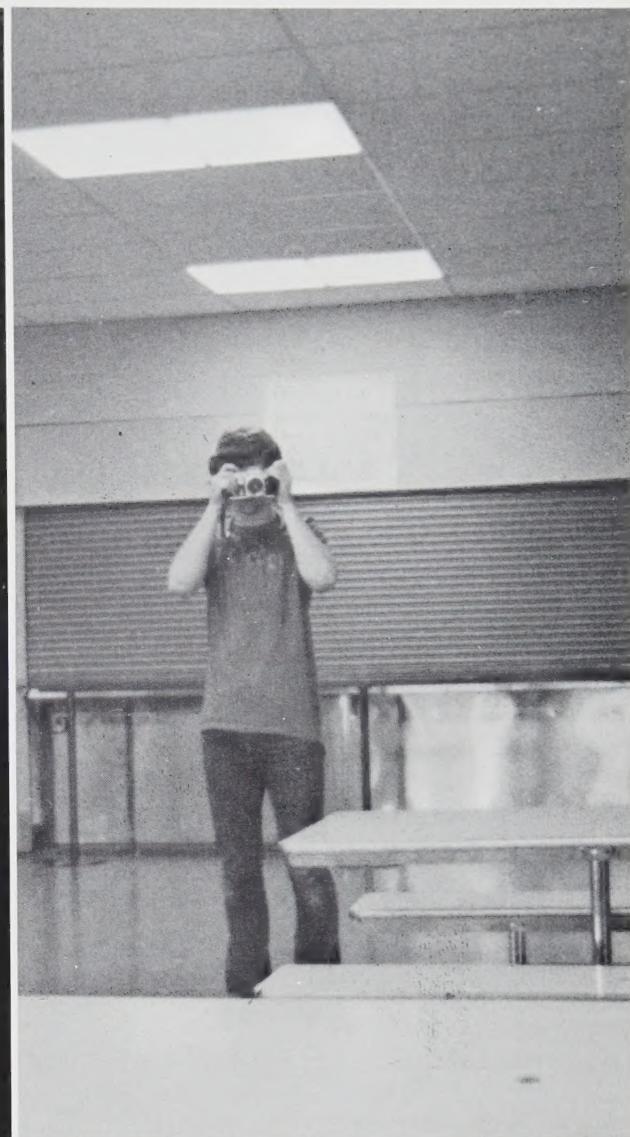

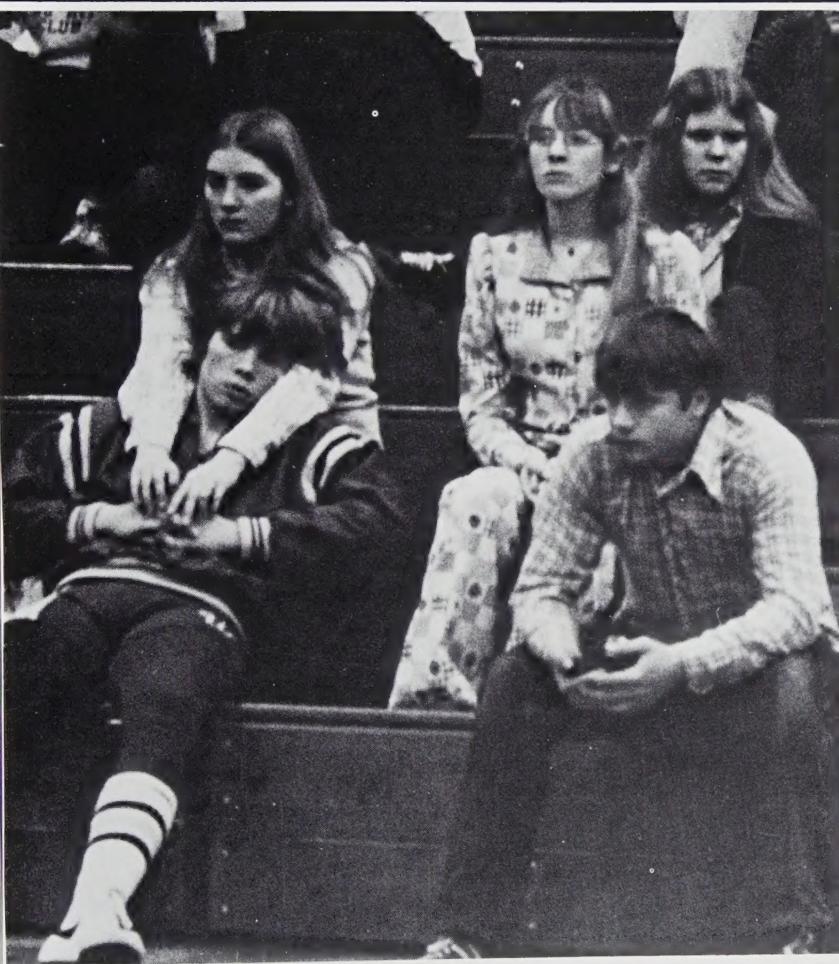

*And have them grip your hand and tell  
How much they hate to see you go!*

*It's kind of tough  
to say goodbye  
To friends you've seen  
day after day.*

*It's hard to break  
the mighty bonds  
Of comradeship  
and move away.*

*So, it's a long farewell,  
old friends;  
May God be very  
good to you!  
Across the miles  
and down the years  
You'll find my firendship  
always true.*

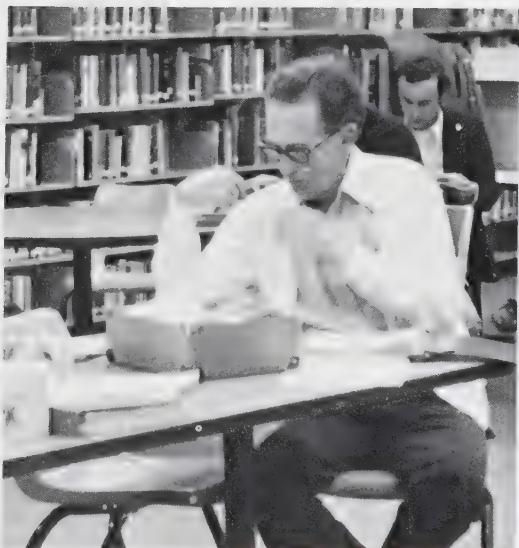

ACADEMICS

## *ADMINISTRATORS DO THEIR VERY BEST*

With the help of our school board, our district superintendent, Mr. Donald McCoy, and our principal Mr. John Johnson, things ran pretty smooth here at WHS.

Both Mr. McCoy and Mr. Johnson are new to Warrenton this year. The student body offers a warm welcome to our new administrative staff.

## *W.H.S. STAFF*

Considerate, skilled, dependable and friendly sums up our staff at Warrenton High. Not only do they keep the school running smoothly, but they also assist the numerous community organizations that use the school facilities.

We thank each one of you for a successful year!

## FACULTY AT WORK

The Warrenton High School faculty reflects a wide range of talents.

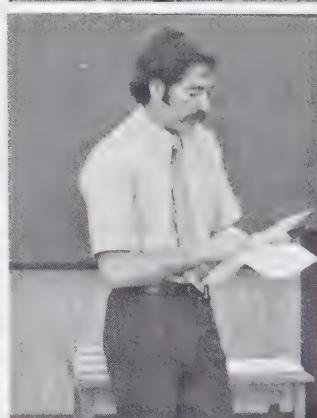

Many new programs were developed during the year and will be added to the curriculum in the fall.

## STUDENTS COMPLETE MODULAR HOME

Glenn McMurray's Construction class completed their modular-type home in June. The house was first started in the 1973-74 school year.

The students learn the complete construction business and they keep their own books as part of the experience.

Their fine effort is truly appreciated.

ABOVE: Mr. McMurray supervises the roofing process.

RIGHT: Steve Jurgensen and Marty Hart learn just how it is done.

## *GIRLS JOIN THE WELDING CLASS*

A couple of versatile girls at WHS set out to prove that they could be as good as the boys in Mr. Moon's shop class. Every day, the girls, Donna Bandeen and Tina Wilhelm put on their old overalls and leather jackets and practice many different kinds of welds, including flat, butt, and corner welds.

The students in Mr. McMurray's drafting indicated that they were always eager to learn. Not a day went by that they weren't at least fifteen minutes early for class.

TOP: Donna Bandeen finishes a corner weld.

LEFT: Sophomore Billy Davis works hard to receive a good grade.

ABOVE: Gene Spurgeon agrees that drafting is fun.

# SCIENCE

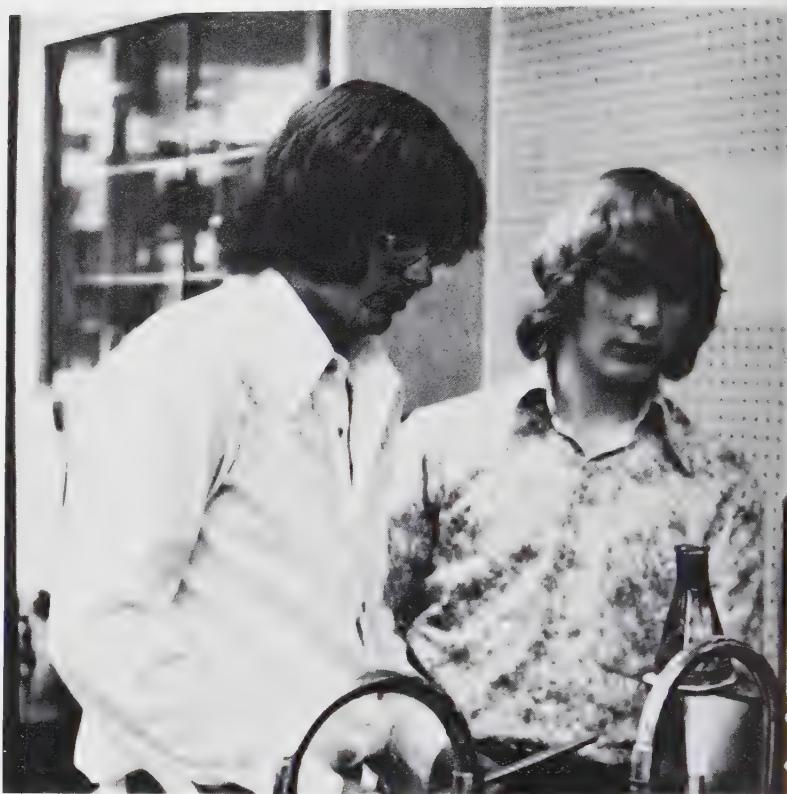

Isn't it nice to live in Warrenton where the air is so nice and - UGH! - the Chemistry students in room 15 are at it again!

While the Chemistry students are doing their thing, the Fish Farm students are doing theirs. The Fish Farmers worked with about 10,000 fingerlings. They also sold ice cream at lunch time to help pay for their expenses.

The Fish Farmers and would-be Chemists combined to take a trip to Newport where they saw Oregon State's Fish hatchery. On another trip, they went to Trojan's visiting center where entertainment was provided by Adam's High School.

RIGHT: Wes Soukkala and Russ work on an experiment in Chemistry.

BELOW: Mrs. Mosar points out to Scott Johnson that the Trojan cooling tower is really a hyperbola, whatever that is!

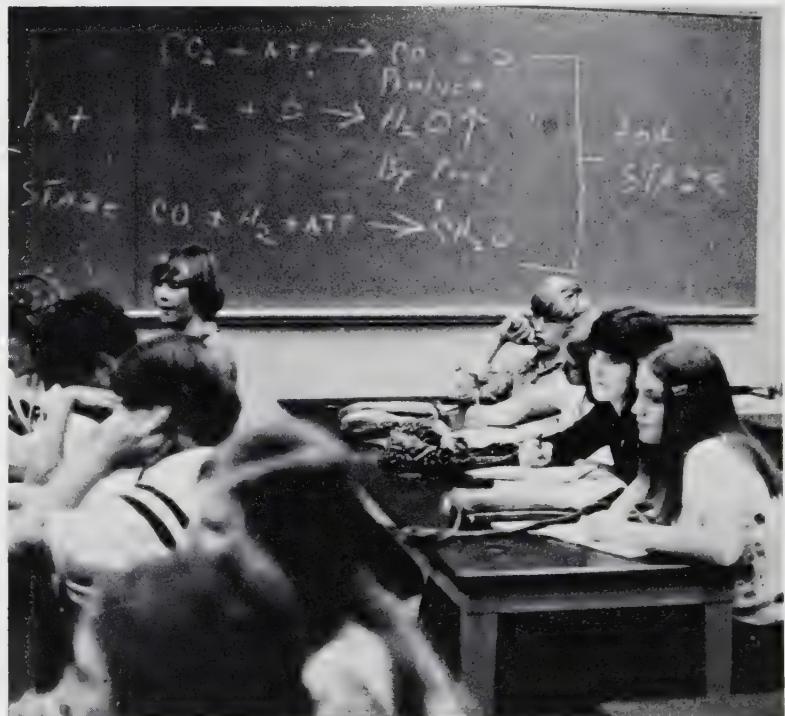

LEFT: John Long gives the fish their lunch at the Peter Iredale fish store.

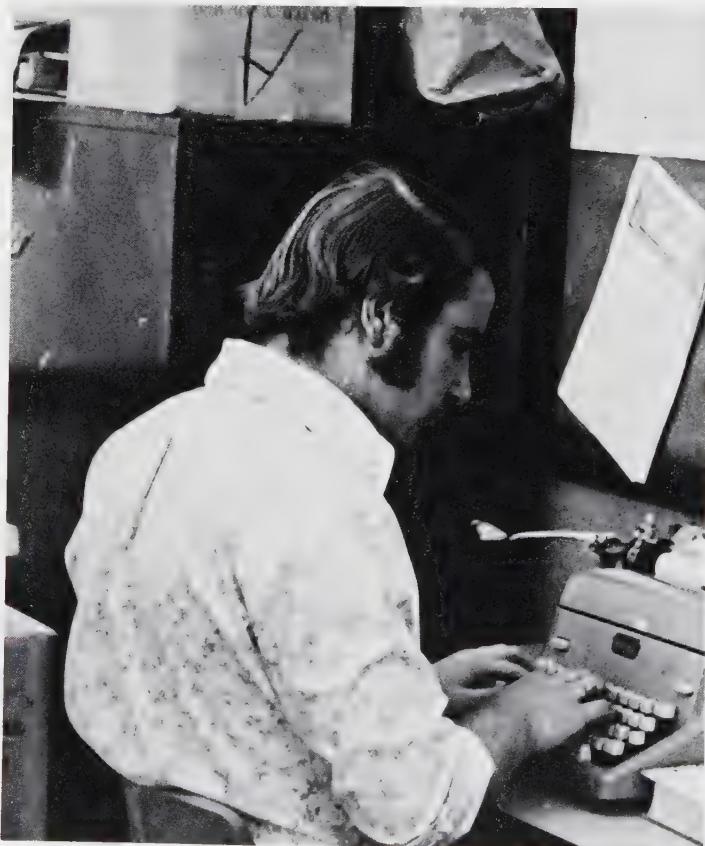

BELLOW-RIGHT: Mr. Ballman tries to make a point with the Biology skeleton, George.

BELLOW: Mr. Ballman's Biology students listen intently to one of his intriguing lectures.

# LANGUAGES VERSATILE

This year students had a choice in the language classes. They could take Spanish, German, or Journalism from Mrs. Rupp. English I or Creative Writing from Mr. Dennis. English II, Paragraph and Essay, or Advanced Writing from Mr. Mattila. Mrs. Bergerson continued her reading classes.

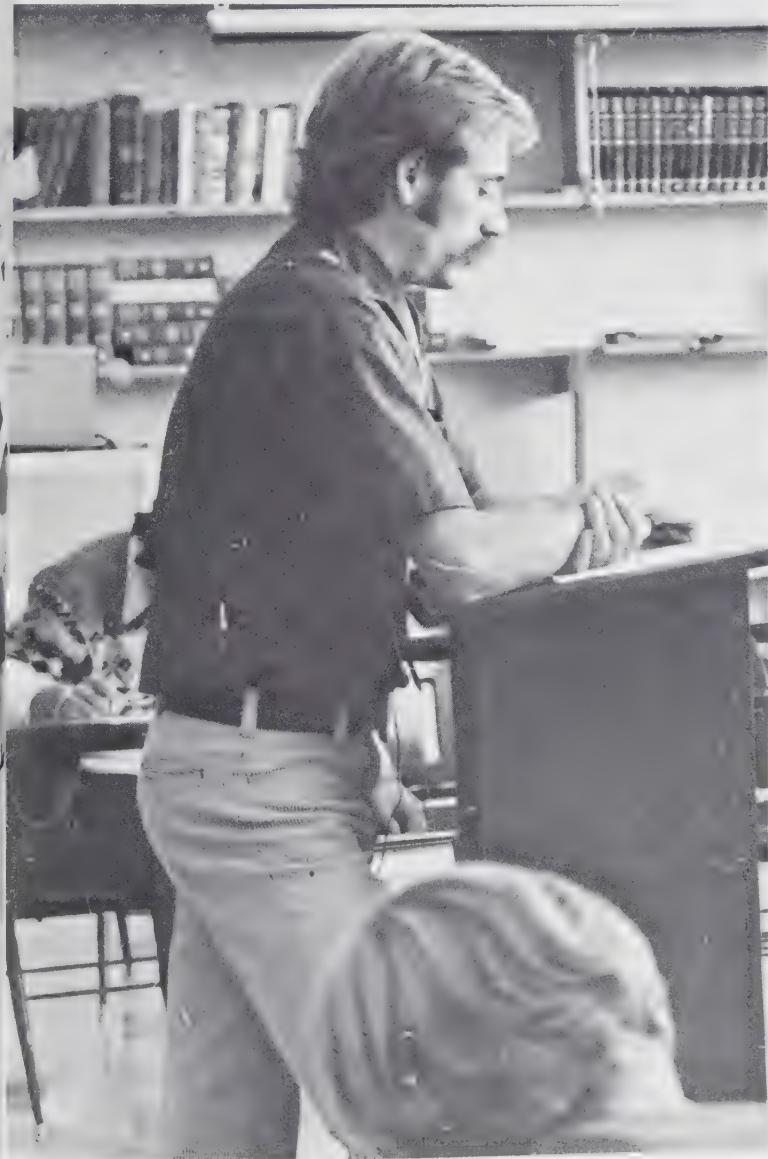

TOP: Mr. John Mattila writes out his lesson plan.

## OUR BUSINESS WORLD

On the Job Training was added to the electives of Business courses.

Many loops and lines were doodled in shorthand classes.

Accounting class was a buzz with flying fingers.

Typewriters never had a chance to cool off until after school.

Office girls were always busy helping out the secretaries.

RIGHT: Jane Newton and Marcella Hoag study attentively.

## *SOCIAL SCIENCE - A PART OF EVERY STUDENT*

In today's world problems social science proves to be important. W.H.S. is well staffed and equipped to handle the education necessary. By enrolling in such classes as Modern Problems, Oregon Civics, U.S. History, Driver Education, Sociology, and Jr. and Sr. Health, many students make social science a part of their life.

TOP: U.S. History students find something to do to pass the time.

## *ART MAKES A CHANGE*

This year's art classes studied ceramics, calligraphy and pottery. Every student tried his best.

This year a new class joined the fine arts curriculum Creative Dance. The students learned to do improvisations and move freely to music. It was a fun and rewarding class.

UPPER TOP: Art class created a monster which was displayed in the hall.

ABOVE: Art students pose to get their picture taken.

LOWER: The girls dance to music very gracefully. They seem to be enjoying themselves a great deal.

## *Home Economics Entices the Boys*

Not only must girls know how to cook and sew, but it is also essential for boys. The boys liberation movement started when they realized they could cook up a brew and scrumptious desserts just as good as the gals.

Even through the hassles and arguments between the women libers and chauvinistic men, they all commented on how they liked the class. The best part was working as a group.

TOP LEFT: Debbie Spath looks on, while waiting for her brew to bubble.

LEFT: They say a family that cook's together, get's sick together.

ABOVE: Oh, Sherry, what have you created!

# *Band Program Booms*

Pep assemblies were peppier, football games were more spirited, and concerts were a joy to enjoy because of the fine direction of Jim Hansen and the dedication of music students this year.

Our band participated in competitions with other Oregon school bands, and we won.

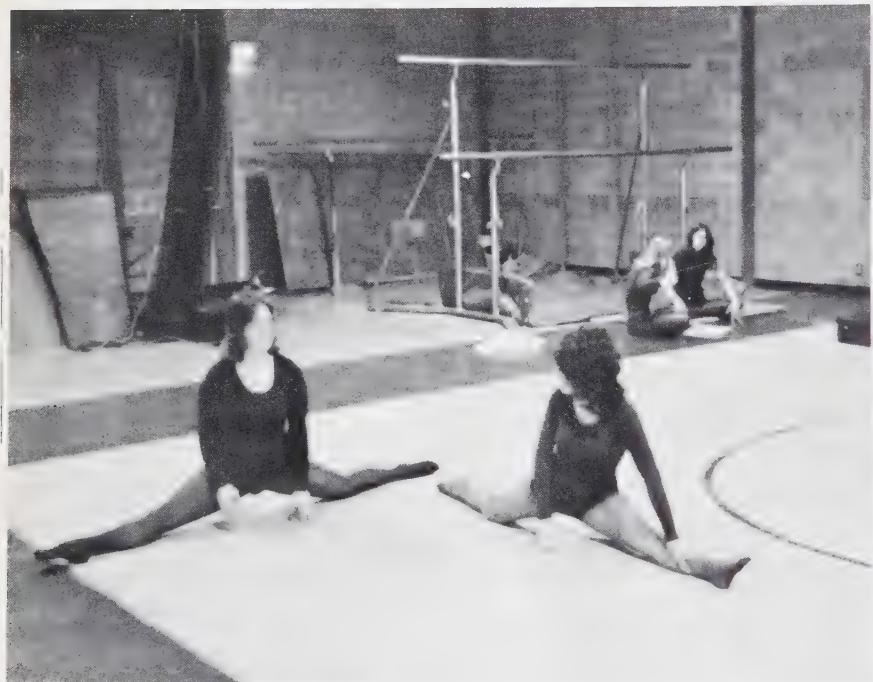

ABOVE: Mr. Hansen smiles approvingly as our football team gains yardage.

LEFT: Scott Johnson was awarded the coveted John Phillip Sousa medal.

## P.E. KEEPS STUDENTS PHYSICALLY FIT

Mr. Cole worked with the boys to help them keep their muscles toned and their minds alert. Soccer, basketball and baseball were some of the major activities.

The girls' class was taught by Mrs. Wallace. Besides keeping the girls physically fit the class also helped to get rid of those ugly extra pounds!

## LIBRARY IS A COZY STUDY

Students flock daily to the library in search of books, information, and even sleep. Seniors are seen scanning the shelves for research material for Mr. Ridout's famous assignments, and crowd the library notably just before the papers are due.

Mrs. Elsa Hartill's bulletin boards are interesting, and the Art classes display their work in the library. This is indeed a popular and busy place.

## *WARRIORS ACQUIRE NEW HEAD COACH*

During his first year of coaching at WHS, John Matilla led the Warriors to a fair season. From the rainy home field to the 85° heat at St. Paul, the Warriors met against a lot of tough defenses. Because of this however, the younger players learned a lot of experience that will prepare them for next season.

This year the wrestling team had a very good season, winning most of their matches. The team won at District and sent 7 men to state. Unfortunately only Earl Lahti placed 3rd.

They, did however, manage to pull through the year with only two injuries, one broken leg and a twisted arm. Coach Dennis Warren was very happy with the team.

## *Young Golf Team Does Well*

Hampered by inexperience, Cowapa-AA schools, and terrible weather, Warrenton's golf team proved to be tough competition.

The perpetual coast rain couldn't dampen the spirit of our hardy boys. The team practiced almost every day that scuba equipment wasn't necessary.

The hard, wet work finally paid off. We placed third in the league against schools much larger than tiny but tough Warrenton. Steve Maize and Rusty Lane led the team with Maize qualifying to play at the State Golf Tournament.

## *Sandy Leads Girls*

### *Through Terrific Season*

In spite of the freezing cold spring weather, the WHS girls were burning up the track this year. Led by Senior Sandy Cotter, the small girls' team sent six to the state track meet, broke four school records, and were a threat at every track meet they attended.

The WHS "males," on the other hand, had a disappointing season. The guys tried, but were plagued with injury, inexperience, and small numbers.

Both teams will have almost everyone back next year and are expecting a terrific season.

TOP: Members of the track team included Coach Jessie Wallace, Sandy Cotter, David Klingerman, Patty Johanson, Lisa Speaks, Janice Hawks, Sherry McGrorty, Jim Collins, Dennis Dunn, Daralyn Hilts, Jennifer Carruthers, Pam Johnson, Liane Bergerson, Frank Hall and Ron Perdue. ## *W Club Has Exciting Year*

Led by big Senior Sam Cochran, the W Club had another big year.

The Lettermen started off the year by getting the bonfire built for the Homecoming Football game. The fire was one of the biggest and best in many years.

To conclude the year, the W Club had their annual camp-out. The camp-out proved another success with everyone enjoying themselves.

## *Shelly Clapp Leads Girls' League*

Girls' League membership was low this year, but greatly improved in quality.

Shelly Clapp led the club as president, and achieved many goals.

Bottle drives and other fund raising activities were held to raise money for the Girls of the Months' charms, and the Girl of the Year's bracelet.

The high point of the year was the Mother-Daughter Tea held in May, which turned out to be a good production. All the girls enjoyed the opportunity to entertain their mothers, and the Senior boys' mothers.

## *"The Past Is Not Forgotten"*

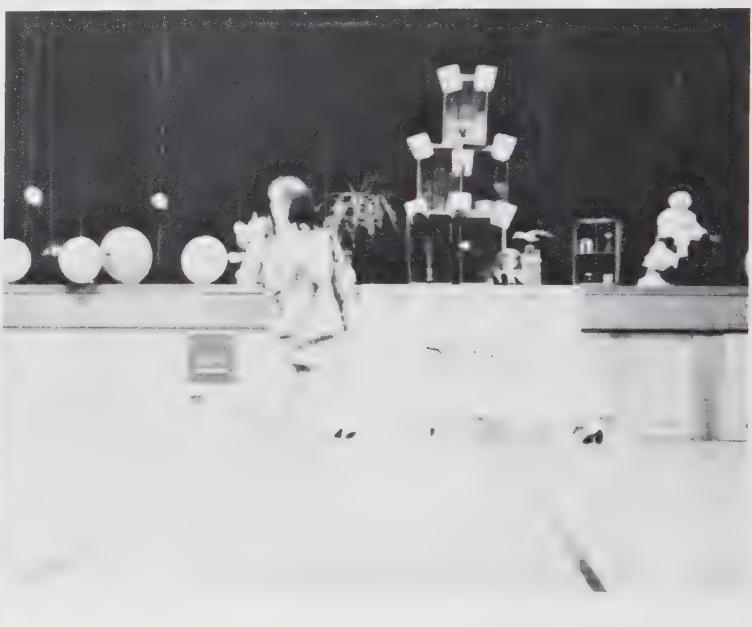

The theme of the Mother-Daughter Tea held May 5 reflected a memory of early school years.

Balloons and candles decorated the gym for the night's entertainment.

Mrs. Chapman's Creative Dance class performed a dance number which was followed by some girls modeling clothes from local stores. Mrs. Rupp and her daughter Virginia provided the music throughout the evening.

Jackie Dillard, Regatta Princess, performed a hula dance, after which the new cheerleaders, the new officers, the Girls' State Delegates, the Girls of the Month, and the Girl of the Year were presented. Also, refreshments were served.

The pleasant evening ended when Kelly Clapp sang "For Bobbie (For Baby)" by John Denver.

# Honor Society Initiates Seven

New Initiates to the Honor Society swelled the membership list to a total of 22 people.

Kathy Apple, Janet Johanson, Casey Cochran, Ron Dyer, Jane Newton, Jennifer Carruthers, and Marcia Knotts performed the candlelight ceremony which made them members of the local chapter of the Honor Society. Mr. Hashim Shaw, a former Warrenton teacher from Lebanon was the guest speaker at this special meeting. He spoke of the importance of leadership and scholarship.

The members of the Honor Society are prominent in the school and community because of their leadership abilities. Many of them were honored by the Warrenton Masonic Lodge at an Honor Banquet for students with a GPA of over 3.5. Many others are in Student Council, and lead in activities throughout the school. We can be indeed grateful for these people and for our advisor, Mrs. Elsa Hartill, and will always remember them by the plastic megaphones they sold to many of the students in the school.

The Officers pause for a minute outside the school. They are Carla Hernandez, Gayle Estes, Delora Elliott, Pres., and Laura Curnow.

# STUDENT COUNCIL

Under the leadership of Student Body President, Bob Sampson, Student Council has had a very active year.

Student Council planned and put on play-days, the Muscular Dystrophy dance, the Bike-Hike and a League Council meeting held at the high school.

Student Council also approved all the school activities we had, so incoming officers are looking forward to another busy year.

## *Pep Club Girls Stay Active*

About 22 girls gathered together this year to form a pep club under Mrs. Chapman's supervision. Every Thursday afternoon after school the members stayed to make posters. The posters were quite

original and creative and a lot of time and effort were spent on each one. All the girls attended the games to help cheer the Warriors on to victory.

Pep Club Members are - FRONT: Jenny Venable, Tina Wilhelm, Liane Bergerson, Gayla Mullins. MIDDLE: Darolyn Hilts, Joanne Fortelney, Nancy Johnsen, Kelly Clapp, Tami Brim, Misty Baldwin. NOT PICTURED: Pam Johnson, Carla Dillard, Lorrie Mills, Teri Hutchings, Vikki Eggleston, Linda Hawks, Gayle Estes, and Dorothy Wolfe.

## *Yearbook Produced By Hard Work*

Working on the Annual consists mainly of hard work and meeting deadlines. This year's annual staff learned this the hard way, as the first deadline came and 36 pages were due. Through consistent and hard work, it was done.

Dorothy Wolfe, Janet Johanson, Kathy Apple, and Gayle Estes went to PSU with Mrs. Rupp in September to a yearbook conference with guest speakers. They learned about the best ways to put out a yearbook, and how to stay together when everyone else was divided into alphabetically arranged groups.

Gayle Estes and Janet Johanson hold the honor of collecting the most money in advertisements to help pay for the cost of the yearbook.

We all enjoyed working together and shall always remember the experience of being the yearbook staff. We did this for the students of the school, and hope they enjoy it too.

## HOOMEOMING TROPHY WON BY SENIORS

The theme for Homecoming 1974 was "Fe Fi Fo Fum, Look Out Royals, Here We Come." Each of the 4 classes submitted a theme with the Sophomores selecting the winning one.

Laura Curnow was crowned queen at Friday night's victorious game against Portland Christian and reigned over Saturday night's dance. Scott Earls was chosen as King Football. The rest of the court consisted of Princess Shelly Clapp, escorted by Mark Simonsen and Princess Dorothy Wolfe, escorted at the game by Earl Lahti. Because of Earl's absence at the dance, Marty Hart was Miss Wolfe's escort Saturday night.

Activities during the week included hall decorations, rally and skits, a car serpentine followed by the traditional bonfire, and purple and white day.

## RALLY HAS AN ENTHUSIATIC YEAR

This years rally was one of the best. They all worked hard in promoting spirit to support the boys.

The Varsity rally went to Idaho which was a great experience. They supported and gave a good appearance for our school.

The girls worked hard at the pep assemblies and games and were very active throughout the year.

They did a good job and we all should be very proud of them.

After a good meal, Coach Bob Cole honored Sam Cochran and Rip Puckett with the MOST VALUABLE PLAYER award. Puckett also shared the MOST INSPIRATIONAL PLAYER in basketball award with Ron Dyer.

The wrestlers who battled their way to a district victory named Scott Earls and Dave Anderson as their MOST VALUABLE WRESTLERS. The wrestlers also named seniors Scott Johnson and Bob Sampson with their MOST INSPIRATIONAL award.

Juniors from our school were chosen by the teachers and the American Legion to represent our school at Oregon Girls' and Boys' State during the summer. The girls attended Willamette University in Salem while the boys went to OCE in Monmouth. They spent a week attending classes and lectures to learn more about our state government.

They enjoyed living on campus and being a part of a large group of students from all over Oregon.

# *Fun In the Sun for Everyone*

Who ever heard of a "tug of war" ending in a draw? - Students and faculty who made it to the all school picnic on June 12.

Coffenberry Lake at nearby Fort Stevens could not have been a more lovely spot for this casual affair.

Swimming, rafting, volleyball, horseshoes, and eating filled the afternoon with pleasant memories.

## *Awards Assembly Honors Students*

This year, WHS tried a new approach in giving out its Senior awards. Instead of announcing award winners at graduation or at a senior Assembly during a school day, All-Awards Assembly was held at night making it possible for most working parents to attend. All the departmental, faculty and scholarship awards were handed out making the evening a very important occasion.

# *Graduation - A New Beginning*

As this Year's graduation class walked down the aisle to Slow March from Sci-  
pio, many radiant faces could be seen. A great number of friends and relatives gathered to help the seniors celebrate this happy occasion.

The commencement ended with the graduation going up "in a bang!"
